2. Create a google form to survey the participants about the 24hr skype. What questions could we ask to gather data so next time we can improve our 24hr skype.

3. Wiki work ..add to our page

4. Add a flag for your country you hosted

5. Using GMaps create a travel trip around the world in iMovie (take street view screen shots) and use Gmaps to find out the distance to each city we visit. Add a narration.

6. Create a Voki telling about todays 24hr skype embed it on our thoughts page of the wiki (you may have to create a new page on the wiki.)

7. Interview some skypeers from Epsom 24hr Skype. Use audacity or ipods in iTalk to record no longer than 2 minutes. This could also be a video recording for TV news.

8. Tweeting the event - tweet about the skype on, before the skype you are hosting (Keelan needs to tweet at the beginning)

9. Write a newspaper article for the Bendigo addy or our school newsletter about our event. Make sure you have a catchy headline and picture.

10. What have you learned from another country? Make a table in excel and list all the cities we visit. Next to each add one thing you found out during the skype. What was the same? What was different? Dont leave this until the end add to it as we skype.
